The AFC Champions League is Asia's premier club competition, pitting 32 club sides from Asia's most competitive national competitions against one another for a share of the \$US14 million prize pool – and a place in the FIFA Club World Cup.

The first Asian Club Championship was played in 1967. For most of the next 25 years, Asian clubs competed against each other on a number of different fronts, namely the Asian Club Championship, the Asian Cup Winners' Cup and the Asian Super Cup.
